1. Statement of Policy

The Governing Body and **Joe Creswick**, Principal of Ivel Valley School, will strive to achieve the highest standards of health, safety and welfare which are consistent with their responsibilities under the Health and Safety at Work etc. Act 1974 and other statutory and common law duties.

This policy sets out how these duties will be conducted and includes a description of the school's organisation and arrangements for dealing with different areas of risk.

Ivel Valley School will, so far as is reasonably practicable, take steps to meet its responsibilities through:

- the provision and maintenance of:
 - plant, equipment and systems of work that are safe and without risks to health;
 - arrangements for the use, handling, storage and transport of articles and substances which are safe and without risks to health;
 - information, instruction, training and supervision to enable employees to avoid or manage risks and contribute positively to their own safety and health;
 - where under the school's control, a place of work which is safe and without risks to health, and with safe access to and egress from it; and
 - a working environment which is safe, without risks to health, and adequate as regards facilities and arrangements for welfare.
- having health and safety policies, procedures and risk assessments which are communicated and accessible, supported by frequent meetings with health and safety as an agenda item; and
- making proportionate and proactive health and safety management an integral part of the school's overall culture and decision-making process.

This policy:

- will be brought to the attention of, and / or issued to, all members of staff and a reference copy is kept in staff rooms and is available on the school's website
- details the school-specific position on the management of health and safety at Ivel Valley School, to outline how Ivel Valley School fulfils its responsibilities under Central Bedfordshire Council's (CBC) Corporate Health and Safety Policy; and
- will be reviewed annually, or sooner in the event that circumstances require it.

2. Organisation

As the employer, Central Bedfordshire Council (CBC) has overall accountability for health and safety at Community and Voluntary Controlled schools. At a school level, **Joe Creswick** as Principal is responsible for operational delivery of health and safety policies and procedures, ensuring that risk assessments are conducted, followed and reviewed and that employees, governors and pupils are aware of their responsibilities and duties in respect of health, safety and welfare.

Responsibilities of the Principal

Responsibilities of the Principal, **Joe Creswick**, include:

- co-operating with CBC and the Governing Body to enable this health and safety policy and procedures to be implemented and complied with;
- communicating the policy and other appropriate health and safety information to all relevant people including contractors;
- ensuring effective arrangements are in place to proactively manage health and safety, by conducting and reviewing inspections and risk assessments and implementing required actions;
- reporting to the Governing body on health and safety performance and any safety concerns / issues which may need to be addressed by the allocation of funds;
- ensuring that the premises, plant and equipment are maintained in a safe and serviceable condition;
- reporting to CBC any significant risks which cannot be rectified within the school's budget;
- ensuring that all staff are competent to carry out their roles and are provided with adequate information, instruction, training and supervision;
- ensuring consultation arrangements are in place for staff and their trade union representatives (where appointed) and recognising the right of trade unions in the workplace to require that a health and safety committee be set up;
- monitoring of purchasing and contracting procedures to ensure that health and safety is included in specifications and contract conditions;
- following all CBC, Ofsted and Department for Education requirements which may have an impact on health and safety; and
- engaging and working with CBC's Assets Team, as corporate landlord to the school's premises, on matters relating to premises health and safety compliance.

Whilst overall responsibility for health and safety cannot be delegated, the Principal may choose to delegate certain tasks to other members of staff. Named responsible people are indicated in the sections in the '[Arrangements](#)' section of this policy.

Responsibilities of the Governing Body

The Governing Body is responsible for ensuring that health and safety management systems are in place and effective. They fulfil a strategic role in health and safety and are not expected to be involved in day to day management of the school.

Unless a Health and Safety Governor is appointed the Estates Committee will receive relevant health and safety information, check the implementation of policies and procedures through site monitoring and provide feedback on health and safety matters and identified actions to the Full Governing Body.

The Governing Body will receive regular reports from the Principal in order to enable them to provide and prioritise resources for health and safety management.

Where required, the Governing Body will seek advice and support on health and safety matters. CBC's Corporate Health and Safety Team provide competent health and safety advice for Community and Voluntary Controlled schools.

Responsibilities of the Senior Leadership Team

Members of the Senior Leadership Team (SLT), will:

- apply the school's health and safety policy to their own department or area of work;
- ensure that any staff under their control are aware of and follow relevant published health and safety guidance (from school- specific policies and procedures and from relevant sources such as CLEAPSS, AfPE etc);
- ensure that health and safety risk assessments are in place for the activities for which they are responsible and that identified precautions are implemented;
- ensure that appropriate safe working procedures are brought to the attention of all staff and pupils under their control;
- take appropriate action on health, safety and welfare issues referred to them, informing the Principal or SLT member of any problems that they are unable to resolve within the resources available to them;
- carry out regular inspections of their areas of responsibility and report / record these inspections;
- ensure the provision of sufficient information, instruction, training and supervision to reduce the risks from hazards and enable staff and pupils to contribute positively to their own health and safety; and
- ensure that all accidents (including near misses) occurring within their area of responsibility are promptly reported, investigated and where required and reasonably practicable, that actions are taken to prevent recurrence.

Responsibilities of employees

Under the Health and Safety at Work Act etc. 1974, all employees have general health and safety responsibilities. All employees are obliged to take care of their own health and safety whilst at work, along with that of others who may be affected by their acts or omissions.

All employees have responsibility to:

- take reasonable care for the health and safety of themselves and others in undertaking their work;
- comply with the school's health and safety policy, procedures and risk assessments at all times;
- report all accidents and incidents in line with the reporting procedure;
- co-operate with and support school management on all matters relating to health and safety;

- not intentionally interfere with or misuse any equipment or fittings provided in the interests of health, safety and welfare;
- report all defects in condition of premises or equipment and any health and safety concerns immediately to their line manager;
- ensure that they only use equipment or machinery that they are competent / have been trained to use;
- observe standards of dress consistent with safety and / or hygiene; and
- make use of all necessary precautions and personal protective equipment provided for safety or health reasons.

Responsibilities of pupils

Pupils, in accordance with their age and aptitude, are expected to:

- exercise personal responsibility for the health and safety of themselves and others;
- observe standards of dress consistent with safety and / or hygiene;
- observe all the health and safety rules of the school and in particular the instructions of staff given in an emergency; and
- not intentionally interfere with or misuse any equipment or fittings provided in the interests of health, safety and welfare.

Key staff

The following staff have designated responsibilities in this Health and Safety policy as at January 2020:

Name	Role
Joe Creswick	Principal
Audrey Webb	Vice Principal
Emily Sidhu	Assistant Principal
Roger Williams	Assistant Principal
Tej Kondel-Laws	Clinical Psychologist
Hannah Doran	Business Manager
Nicola Hudson	Office Manager
Dave Green Brian Goldsmith Kevin Greenwell	Site Agents
Wendy Presland	Finance/Admin Assistant
Emily Diloo	After School Club Leader
Ian Hall	Network Manager

3. Arrangements

In order to fulfil the responsibilities outlined in the '*Organisation*' section of this policy, the following arrangements are defined for Ivel Valley School (presented in alphabetical order for ease of reference).

Accident and incident reporting

Related documents:

- *Accident, Incident and Near Miss Guidance (CBC)*

Joe Creswick is responsible for:

- The periodic review of local incident reporting arrangements for suitability and to ensure that the requirements of CBC's Accident, Incident, Near Miss & Dangerous Occurrences Reporting Policy and Procedure are met;
- Ensuring that all staff are aware of their responsibilities under this policy and CBC's Accident, Incident, Near Miss & Dangerous Occurrences Reporting Policy and Procedure; and
- Reporting incidents, including where required under the terms of the Reporting of Injuries, Diseases & Dangerous Occurrences Regulations (RIDDOR) 2013, with the assistance of the CBC Corporate Health & Safety Team (CHST), to the Health & Safety Executive (HSE); and
- ensuring that all staff are aware of their responsibilities for contacting parents for all pupil injuries.

Hannah Doran is responsible for:

- reviewing all incident forms generated;
- ensuring that incidents are reported on AssessNET where required, including calling the CBC CHST immediately upon notification that a significant incident (i.e. one where the injured / affected person has required transportation to hospital / professional medical treatment / time away from work or on amended duties, or which had the potential to cause significant harm or loss but did not) has occurred;
- ensuring that suitable and sufficient investigations are carried out following all incidents and that all reasonable actions are taken to prevent recurrence of similar incidents;
- liaising with and providing any information as is required by the CBC CHST.

All staff are responsible for:

- ensuring that they report all incidents without delay and in any event on the day the incident occurred;
- investigating incidents which occur within their area of work to provide comprehensive information on the incident form they submit and taking all reasonable immediate and longer term actions as required to prevent recurrence of a similar incident; and
- providing to **Hannah Doran**, as soon as possible, a copy of any written confirmation by a medical professional of an occupational (work-related) disease or illness with which they have been diagnosed.

After-school and holiday clubs and activities

Emily Diloo, as After School Club leader, (and anyone else who leads Holiday Clubs) has the duty to:

- Complete relevant risk assessments for any activities
- Comply with all the School's health and safety related policies mentioned in this document
- Ensure staffing is adequate and that they are appropriately trained and supervised.

Asbestos

Related documents:

- *Asbestos Management Plan*
- *Asbestos guidance (CBC)*

Joe Creswick, as Principal, has the duty to:

- ensure that the school's Asbestos Management Plan is kept up to date and that the risks from asbestos present are managed.
- understand the requirements for the management of asbestos in schools, as defined by the Department for Education and by Central Bedfordshire Council (CBC);
- appoint sufficient numbers of staff to act as 'asbestos co-ordinators';
- ensure that asbestos co-ordinators:
 - have access to the online 'Frontline' system, to enable them to view the school's Asbestos Management Plan;
 - attend training provided by CBC on how to manage asbestos within the school;
 - use the Asbestos Management Plan information to verify whether activities such as maintenance works may proceed safely and to set rules for staff or contractors based on the risks from asbestos;
 - ensure that a record is kept which demonstrates that those conducting activities which may disturb asbestos have been made aware of the risks (log book); and
 - conduct an annual (or frequency as specified in the Asbestos Management Plan) visual check of the condition of known asbestos identified within the Asbestos Management Plan and upload confirmation of their check (and any actions required) to the Frontline system as a record;
- ensure that all staff understand the risks associated with asbestos and that they do not disturb it (e.g. first ensuring it safe to pin items to walls or ceilings);
- ensure that in the event of any accidental damage to the building fabric (e.g. damage to ceilings, walls, floors), that the area is immediately isolated and the Asbestos Management Plan checked to verify whether asbestos may have been disturbed. To contact CBC's Assets Team immediately in the event of concerns;
- ensure that CBC's Assets Team is contacted in advance of any works which may disturb asbestos (e.g. building works), where the Asbestos Management Plan does not provide absolute certainty that no asbestos is present on or within structures to be changed; and

Ivel Valley School

- commission any required asbestos surveys through CBC's Assets Team (which will also ensure that the Asbestos Management Plan on Frontline is automatically updated as part of the process).

The asbestos co-ordinators at Ivel Valley School are:

- **Hannah Doran**, School Business Manager
- **Dave Green**, Site Manager
- **Brian Goldsmith**, Site Agent
- **Kevin Greenwell**, Site Agent

All staff are responsible for reporting without delay to an asbestos co-ordinator (shown above) any accidental damage to the building fabric (e.g. damage to ceilings, walls, floors).

Behaviour management and bullying

Related documents:

- *Anti-bullying Policy*
- *Behaviour Principles Written Statement*
- *School Behaviour Policy*
- *Positive Handling Policy*

Roger Williams, Assistant Principal, is the lead for behaviour management.

Staff working with pupils who demonstrate challenging or difficult behaviour are provided with Team Teach training. **Joe Creswick** and **Roger Williams** is responsible for the Team Teach training programme

Building works

Related documents:

- *Schools Notifiable Projects Procedure (CBC)*

When making alterations to the premises, **Joe Creswick** is responsible for ensuring that alterations are designed, arranged and carried out in compliance with the Construction, Design and Management Regulations 2015. As part of this management, **Joe Creswick** or **Hannah Doran** will ensure that:

- works requiring notification to CBC under the School Notifiable Projects process, are duly notified and approved **before** work commences;
- statutory consents are sought as required for planning and building control;
- alterations are competently designed to ensure compliance with legislation including the Building Regulations, the Workplace (Health, Safety and Welfare) Regulations, and the Regulatory Reform (Fire Safety Order); and

Ivel Valley School

- relevant sections within this policy, including those on Asbestos and Contractors, are complied with.

The duties required to manage such works may be delegated to other Ivel Valley School staff but at all times **Joe Creswick** is responsible for monitoring and ensuring that actions taken fulfil the above requirements.

Cleaning

Cleaning is carried out by in-house staff who are supervised by **Dave Green** and **Brian Goldsmith** (Site Agents).

All staff are expected to immediately resolve small spills of known low-risk contamination such as spilt food or drink, to reduce the immediate risk from slips, trips and falls.

Spills of hazardous substances such as body fluids or chemicals must be cordoned off and assistance obtained from the **Site Agents**.

Risk assessments and working procedures are in place and regularly updated.

Cleaners (and others fulfilling cleaning roles) should receive appropriate information, instruction, training and supervision to ensure that activities are carried out safely in line with the arrangements detailed in this policy.

Contractors

Related documents:

- *Managing Contractors Guidance (CBC)*

Joe Creswick and/or **Hannah Doran** is responsible for managing the selection of contractors, to ensure that:

- contractors are competent to carry out the works required;
- risk assessments and method statements covering the extent of the works to be carried out are suitable and sufficient;
- checks for the presence of asbestos are made and appropriate action is taken where asbestos may be disturbed; and
- appropriate planning, update and monitoring meetings are held as required (e.g. pre-start planning meetings, updates during works and post-works review).

Joe Creswick is responsible for reviewing selection and providing final authorisation to proceed for contracts over £5000.

Hannah Doran and the **Site Agents** are responsible for the management of contractors on site, to ensure that:

- contractors sign in and are given an induction on site arrangements (e.g. fire and evacuation, welfare, first aid, smoking, etc.);

- planned works are reviewed before commencing on each working day and a Permit To Work (PTW) is issued for the specific works planned that day;
- contractors are periodically monitored to ensure that they are working safely and abiding by the pre-agreed safe working methods; and
- unsafe working is challenged and works stopped if required.

All staff are authorised and empowered to challenge contractors and demand that works cease where they believe work is being carried out unsafely. In such circumstances, they must report this to the above responsible officers for action.

Display Screen Equipment (DSE)

Related documents:

- *Display Screen Equipment Guidance (CBC)*

'DSE users' are staff whose job role requires that they use such equipment:

- for continuous or near-continuous spells of an hour or more at a time; and
- on most working days; and
- transferring information quickly; and
- requires high levels of attention and concentration; or are highly dependent on DSE / have little choice in using it; or need special training or skills to use it.

Any member of staff classed as a DSE user is entitled to receive a free DSE eye test paid for by the School. The usual cycle of eye tests paid for is every two years but within the two year period DSE Users may request a DSE eye test if they experience visual fatigue or discomfort that they consider relates to their use of DSE at work. A Risk Assessment must be undertaken to identify work practices that may be contributing to it, such as not taking sufficient 'screen breaks', monitor settings and the working environment.

If the optician recommends:

- option C 'general use, incorporating a special prescription for VDU use' and bifocals or multifocals; or
- Spectacles that are required solely for VDU use (option D)

then the school will arrange for a Spectacles Voucher to the value of £55 towards the cost of glasses.

Hannah Doran is responsible for:

- identifying employees who classify as 'DSE User';
- ensuring that DSE Users have an up to date DSE Assessment;
- providing appropriate information on DSE set up and assisting DSE Users to set up their DSE as required;
- sourcing and providing equipment; and

Ivel Valley School

- providing information to staff about getting an eye test.

Dress code

Related documents:

- *Dress Code in Staff Handbook*

Joe Creswick is responsible for the school's dress code guidance, which is incorporated into the Ivel Valley School Staff Handbook and includes consideration of the standards of safety and / or hygiene required for school activities.

Educational Visits and Journeys (EVJs)

Related documents:

- *Educational Visits Policy*

The school's Educational Visits Co-ordinators (EVC) are **Audrey Webb** and **Roger Williams**.

Ivel Valley School directly follows the CBC procedure for the safe management of EVJs, using EVOLVE, which is monitored by CBC's Children's Services department (and which will review and approve more complex EVJs).

All EVJs submitted on EVOLVE are reviewed and approved by **Joe Creswick**.

Emergency and Business Continuity Planning

Related documents:

- *Emergency and Business Continuity Plan*

As Principal, **Joe Creswick** is responsible for devising and maintaining the Ivel Valley School Emergency and Business Continuity Plan (including Lockdown), which is reviewed for continued accuracy and sufficiency on a half-termly basis.

Fire prevention, evacuation and other emergency arrangements

Related documents:

- *Fire Safety Policy and Procedures*
- *Fire Evacuation Procedures*

Ivel Valley School and its board of governors are committed to good fire safety management in order to maintain the safety of employees, contractors, pupils, the general public and anyone else affected by the activities of the school.

Ivel Valley School

Ivel Valley School will comply with the Regulatory Reform (Fire Safety) Order 2005 by acting responsibly and taking our fire safety duties seriously in order to protect pupils, school personnel and visitors to school.

First aid

Related documents:

- *First Aid Guidance (CBC)*

Hannah Doran, with the office First Aiders, is responsible for:

- carrying out and recording a suitable and sufficient assessment of first aid needs;
- procuring such first aid equipment as is required following the completion of the first aid needs assessment;
- ensuring that lists around the school showing the names of first aiders and Paediatric first aiders are periodically updated as required;
- arranging for the purchase of replacement first aid equipment and supplies as required;
- ensuring that first aiders have appropriate training and that certificates are in date;
- periodically checking the location and contents of first aid kits and AEDs; and
- re-stocking first aid equipment as required.

The names of First Aiders and Paediatric First Aiders are displayed around the school. Whilst Ivel Valley School is only obliged to provide first aid assistance to employees and pupils (within the scope of Department for Education requirements), first aid will be provided to other persons present on the school site (such as parents and contractors) where possible, appropriate and in line with first aiders' training.

First aid boxes are located at strategic locations around school buildings, in most classrooms and in minibuses.

The Special School Nursing Team is based at Ivel Valley School and can be called upon in emergencies and to provide guidance and advice on health-related matters.

Automated External Defibrillators, e.g. "Automatic External Defibrillators (AEDs) are available in Reception areas on both the School and College Sites.

Food safety

Related documents:

- *Catering Food Safety Procedures*

School catering is provided in-house and is regularly reviewed by the CBC Environmental Health Food Safety Team.

Food is all cooked on the School Site and <20 meals are transported each day to the College Site.

Hannah Doran is responsible for monitoring for quality and compliance with the School's Food Safety Management System.

Class teachers are responsible for food safety arrangements within curriculum food technology areas.

Grounds maintenance

Site Agents are responsible for inspecting the grounds daily to identify any health and safety hazards and to take the necessary remedial action.

A grounds maintenance contractor (currently Countrywide) is responsible for all routine grounds management e.g. mowing, hedges, shrubs, leaf clearance, sports pitch marking. **Hannah Doran** is responsible for management of the contract, including monitoring for quality and compliance with health and safety standards.

A separate contractor (currently Steve Dears Trees) is used to complete a tree survey and complete any remedial actions.

Hazardous substances

Related documents:

- *Hazardous Substances (COSHH) Guidance (CBC)*

Hannah Doran is responsible overall for ensuring that hazardous substance (Control of Substances Hazardous to Health – COSHH) management arrangements are in place, including:

- maintenance of hazardous substance inventories;
- obtaining Safety Data Sheets for purchased products;
- production and maintenance of detailed 'COSHH' Assessments for substances posing more significant risk (purchased products and those encountered naturally or as a result of a work process such as wood dust);
- ensuring that staff only use or handle substances where appropriate to do so and in line with assessments (including provision of appropriate information, instruction, supervision, training and protective equipment);
- ensuring that First Aid arrangements are updated in line with findings of COSHH Assessments; and
- arranging COSHH Assessment training for those required to assess risks.

See [Health and Wellbeing](#) in relation to infection control.

Health and safety information and training

The arrangements in this policy will only be possible where relevant health and safety information is communicated and discussed, and where staff are provided with sufficient instruction, training and supervision for the work they do.

Ivel Valley School

Joe Creswick is responsible for ensuring that meetings of SLT, the Governing Body and other staff meetings include a specific agenda item on health and safety and that relevant information is discussed on those agendas.

Audrey Webb is responsible for maintaining the Ivel Valley School assessment of training needs, for the maintenance of training records and for the content of the staff induction.

Hannah Doran is responsible for the maintenance of content on staff notice boards and other direct staff communication methods.

All staff are responsible for ensuring that they:

- act on health and safety information appropriately;
- participate in health and safety initiatives;
- that they work in line with their training and competency level; and
- raise without delay any health and safety concerns to their immediate manager or other member of the management team.

Health and safety monitoring and inspections

The arrangements in this policy will be monitored as follows:

Daily site inspections, to check for hazards and condition of equipment are carried out by the **Site Agents**.

Termly site inspections, covering a wider and more detailed look at premises-related health and safety management are carried out by **Hannah Doran** with other staff or Governors as appropriate. The inspection records are shared with the Governing Body (Estates Committee)

Joe Creswick is responsible for:

- monitoring that inspections are being carried out consistently and issues resolved;
- ensuring that actions arising are dealt within appropriate timescales; and

Ivel Valley School is subject to periodic monitoring by the CBC Corporate Health and Safety Team of operational health and safety arrangements and CBC Assets Team for property-related health and safety arrangements; monitoring frequency varies according to statutory requirements and on a risk-based approach.

Health and wellbeing

Related documents:

- *Infection Control Guidance (CBC)*
- *Mental Wellbeing & Stress Guidance (CBC)*

Tej Kondel-Laws is the Ivel Valley School lead for health and wellbeing. This role involves thinking organisationally about the primary sources of stress at work that, if not properly managed, are associated with poor health and well-being, lower productivity and increased sickness absence.

These are:

- Demands – i.e. workload, work patterns and the work environment
- Control – i.e. how much say the person has in the way they do their work.
- Support – i.e. the encouragement, sponsorship and resources provided by the organisation, line management and colleagues.
- Relationships – i.e. promoting positive working to avoid conflict and dealing with unacceptable behaviour.
- Role – such as whether people understand their role within the organisation and whether the organisation ensures that they do not have conflicting roles.
- Change – such as how organisational change (large or small) is managed and communicated within the organisation.

The emphasis at Ivel Valley on taking a systemic overview on how the School's Health and Safety policy promotes the well-being of employees and children by:

- Creating a working environment where potential work-related stressors as far as practicable are avoided, minimised or mitigated through good management practices, effective Human Resources policies and staff development.
- Increasing employee's awareness of the causes and effects of stress.
- Developing a culture that is open and supportive of people experiencing stress or other forms of mental ill-health.
- Engaging with staff to create constructive and effective working partnerships, education around positive behaviour support in relation to staff wellbeing.
- Establishing working arrangements whereby employees feel they are able to maintain an appropriate work life balance.
- Encouraging staff to take responsibility for their own health and well-being through effective health promotion programmes and initiatives, including training to upskill staff in relation to children's wellbeing.
- Encouraging staff to take responsibility for their own work and effectiveness as a means of reducing their own stress and that of their colleagues.

The Wellbeing Improvement Team meet regularly to implement wellbeing initiatives across the school. Mental Health First Aiders should be available to support mental wellness.

Occupational Health Services and Employee Assistance Services are provided through Bedfordshire Borough Council. Occupational Health will be engaged where required in line with the school's health and attendance policies. **Hannah Doran**, is responsible for contract review and performance management of the Occupational Health contract.

Joe Creswick is responsible for ensuring that **infection control procedures** are in place across the school, in relation to matters such as administration of medicine, personal care, risk from behaviour of pupils and other such work-related activities which may pose foreseeable risk of infection. *(NB: The [NHS website](#) provides a wealth of information on identification and control options for naturally occurring illnesses which are not school-focused and may be faced in everyday life – for example Colds and Flu, Norovirus, Scarlet Fever, etc)*

Legionella management

Related documents

- *School Legionella Guidance (CBC)*

Hannah Doran is responsible for ensuring that:

- water risk assessment(s) is/are in place for Ivel Valley School and that these are reviewed at least every two years and in the event of any change or incident relating to the site/sites' water systems;
- the findings of water risk assessment(s) are acted upon within the recommended timescales;
- the requirements for temperature monitoring, flushing and descaling identified within risk assessments are translated to operational monitoring schedules and maintained within a Legionella monitoring folder;
- equipment and substances required for carrying out monitoring and water hygiene activities are provided and maintained;
- staff carrying out Legionella risk management activities are provided with appropriate information, instruction, training and supervision to perform these tasks competently; and
- sufficient staff are appointed and trained to carry out monitoring and water hygiene activities, to ensure that schedules are maintained.

All **Site Agents** are the operational leads for monitoring and water hygiene activities on-site, in line with the requirements of the water risk assessment, and for maintaining the Legionella management folder.

Lettings

Ivel Valley School premises is used by various organisations out of school hours, including weekends.

Hannah Doran is responsible for:

- management arrangements, including hirer monitoring;
- communication of health and safety arrangements, including the premises emergency arrangements (e.g. fire action and alarm handling, first aid, asbestos control, etc); and

Site Agents are responsible for day to day arrangements regarding security and unlocking/locking up.

Lone working

Related documents:

- *Lone Working Guidance (CBC)*

Lone working includes any work where a person may be at distance from immediate help and assistance in an emergency. It will therefore equally apply to working on school premises (e.g. in remote parts of the site) or outside of 'normal' hours (e.g. during alarm call-outs or during opening up / locking up the school) as it would to working off site. Regular examples of lone working at Ivel Valley school include:

- Working during school holidays
- Daily unlocking/locking of the school
- Pupil's home or other off-site visits
- Outings with a pupil (single member of staff with pupil(s))
- Site manager duties
- Site cleaning duties
- Working in a single occupancy office

It is the responsibility of the relevant manager of the lone worker to (not all will be relevant for each lone worker):

- Ensure that the staff member is suitable to be left working alone
- Provide safe systems of work for relevant staff/duties
- Ensure that there are appropriate security systems in place to secure the building
- Provide security devices for members of staff when they are working in the office or out in the community, if assessed as appropriate
- Carry out personal risk assessments for all staff working alone and regularly discuss the control measures that are in place to ensure they are still adequate or discuss amendments
- Identify any training needs and ensure these are met – at induction and ongoing
- Set up an adequate system for recording off-site visits e.g. staff reporting to the office; their location and general movements for the day, where this is required as part of the risk assessment
- Ensure systems are agreed on how to raise the alarm and copies of the procedures are given to all relevant staff (anyone who is not able to raise the alarm should not be left alone)
- Ensure that your procedures allow for lone workers to request additional support when they feel vulnerable
- Discuss this policy on a regular basis during team meetings, and especially if an incident has occurred
- Record and monitor all accidents and incidents and report findings to the Principal.

The staff member has a duty of care for themselves and anyone else who could be affected by their actions. Therefore, they have a responsibility to ensure that they:

- Are aware and follow all policies, procedures, control measures identified in the risk assessment and any other guidance on safe lone working
- Always plan ahead e.g. if lone working is to be undertaken, a colleague, friend or family member will be informed about where the member of staff is and when they are likely to return.
- Are fully aware of the risks when working alone

- Do not put themselves in potential danger - potentially dangerous activities, such as those where there is a risk of falling from height, will not be undertaken when working alone. If there are any doubts about the task to be performed then the task will be postponed until other staff members are available.
- Ensure that they have made themselves aware of the nearest place of safety
- Be aware of the on-site security procedures
- Ensure that access is available to radios, personal alarms, mobile phones or some form of personal communication.

Manual handling

Related documents:

- *Manual Handling Policy*
- *Manual Handling Guidance (CBC)*

The term manual handling relates to the moving of loads either by lifting, lowering, carrying, pushing or pulling.

The basic principles applied to manual handling tasks are to:

- **avoid** the need for hazardous manual handling, so far as is reasonably practicable;
- **assess** the risk of injury from any hazardous manual handling that can't be avoided; and
- **reduce** the risk of injury from hazardous manual handling, so far as is reasonably practicable.

All staff are responsible for ensuring that materials and items are stored safely, to avoid the need for poor handling techniques and risks from falling objects.

Identification of training needs and provision of specific handling training falls under the arrangements detailed within the '[Health and Safety Information and Training](#)' section of this policy.

Medication and medical conditions

Related documents:

- *Administration of Medicines Policy*

Ivel Valley School applies the management approaches outlined in the Department for Education's "Supporting pupils with medical conditions at school".

Qualified nurses (provided through the NHS) are present on site during the school day and are qualified and able to advise and support the management and administration of medication and medical conditions.

Noise and vibration

Related documents:

- *Control of Noise Guidance (CBC)*

Site Agents are responsible for noise and vibration management arrangements for maintenance activities, for cleaning and generally across the site.

Class teachers are responsible for assessing any significant noise and vibration risks which may arise from general curriculum activities, and for ensuring that appropriate precautions are taken.

Hannah Doran and **Site Agents**, as the members of staff with responsibility for contractor selection and management are responsible for ensuring that contractor works, are assessed for noise and vibration risks and that appropriate precautions are taken.

No location within school premises has been found to require designation as a hearing protection area.

Personal Protective Equipment (PPE)

Related documents:

- *Dress Code*

Where identified as required by risk assessment, PPE will be provided free-of charge to those requiring it.

All staff and **pupils** must wear PPE when required by risk assessments. Staff issued with PPE for their personal use or for provision to others under their control must ensure that PPE is stored appropriately, that it is maintained in good condition, checked before use and that defects are reported for replacements to be made.

Personal safety: violence and aggression

Related documents:

- *Anti-bullying Policy*
- *Behaviour Principles Written Statement*
- *School Behaviour Policy*
- *Positive Handling Policy*
- *School Emergency and Business Continuity Plan*

Violence and aggression risk may come from intruders to site, angry parents / carers or pupils, as well as people out in the community when conducting off-site visits.

All staff are responsible for ensuring that they report all violence and aggression incidents in line with the '[Accident and incident reporting](#)' section of this policy.

Staff working with pupils who demonstrate challenging behaviour are provided with Team Teach training; care and support plans for such pupils identify the risks, triggers and de-escalation actions to take.

Risk assessment

As required by the Management of Health and Safety at Work Regulations, Ivel Valley School will document its assessments of health and safety risk and ensure that they are implemented and reviewed. The method of documentation of risk assessment can take many forms and does not necessitate the creation of additional paperwork. As such, risk assessment will be documented in a format which is appropriate to the activity involved. This may include, for example:

- risk assessments relating to pupils with specific care / other needs being documented as part of care and support plans;
- risk assessments relating to curriculum activities being incorporated as part of lesson plans;
- risk assessments relating to staff ill health being incorporated into return to work documentation; and
- more 'traditional' format risk assessments for general work activities.

In all cases, risk assessments must be reviewed annually or sooner if determined as appropriate or in the event that there is an incident or change in circumstances which might affect the validity of the original assessment.

Staff in charge of activities are responsible for ensuring that the risks associated with the activities under their control are adequately assessed and the results communicated and implemented by those for whom it is relevant.

Safeguarding

Related documents:

- *Safeguarding Policy*
- *Keeping Children Safe in Education*

The specific arrangements for safeguarding and child protection are outlined within the Ivel Valley School Safeguarding Children Policy.

Emily Sidhu is the Designated Safeguarding Lead.

Satellite Classes – Biggleswade Academy

Related documents:

- *Occupancy Agreement between Ivel Valley School and BEST (Biggleswade Academy)*

Ivel Valley School has three classes based at Biggleswade Academy. The Occupancy Agreements outlines the responsibilities of both parties with respect to Health and Safety.

All policies apply to staff based at Biggleswade Academy.

Security and visitor management

Related documents:

- *School Emergency and Business Continuity Plan*

Perimeter fencing / borders provide access barriers to the site grounds.

Site Agents monitor perimeter security as part of their daily site inspections and are responsible for unlocking and locking the site at the start / end of each day. Other key holders are:

- Joe Creswick
- Hannah Doran
- Audrey Webb
- Roger Williams
- Several admin staff, teachers and cleaners

Access control systems are in place at main entrances to each building.

Office staff are responsible for issuing security fobs to authorised staff and regular visitors to the site.

All visitors are required to sign in, wear a visitor badge and be accompanied. Visitors will only be permitted unsupervised access whilst pupils are on site where DBS checks have been confirmed and are considered acceptable.

The Ivel Valley School Emergency and Business Continuity Plan incorporates a lockdown procedure for use in the event of an intruder.

All staff are responsible for ensuring that they are not tailgated through security doors by unauthorised persons, and for challenging (if safe and appropriate) or reporting concerns about unauthorised access.

Severe weather

Joe Creswick and **Nicola Hudson** are responsible for ensuring that a severe weather plan is in place for the school. This is created in line with CBC guidance on coping with severe weather, which is provided on the Schools Portal.

Joe Creswick, as Principal, is ultimately responsible for deciding whether school site(s) are closed as a result of severe weather conditions.

Shared working

Related documents:

- *Service Level Agreement with Children With Disabilities Team*

The College Site is shared with the Central Bedfordshire Council Children With Disabilities (CWD) Team who are based in the Hub, a self-contained part of the building.

Ivel Valley School

A Service Level Agreement is in place between Ivel Valley School and CWD team setting out responsibilities of both parties, including those relating to Health & Safety.

Ivel Valley School is responsible for maintenance and cleaning of the building.

Site maintenance

Hannah Doran with the **Site Agents** co-ordinate site maintenance for all sites.

Basic site maintenance activities are carried out by the **Site Agent** directly (in line with their training, qualifications and experience) and more specialist requirements are carried out by contractors, who will be commissioned by **Hannah Doran** or the **Site Agents**.

All staff:

- must not attempt any site maintenance activities on their own. All faults and alterations must be recorded on Parago and for urgent jobs, staff may contact the **Site Agent** directly; and
- may contact **Hannah Doran** or a member of the Senior Leadership Team in relation to any job requiring urgent attention when the **Site Agent** is not available.

Through the CBC Property Buy Back service, Ivel Valley School has access to a 24/7 helpline, providing assessment of issues by a property professional, recommended solutions and costs, sourcing an approved, competent contractor and administering the contract to deliver the work. The number to call in such circumstances is 0300 300 5960.

Smoking

Smoking (including the use of electronic cigarettes) is not permitted anywhere within Ivel Valley School buildings, grounds and vehicles.

Staff using their own vehicles for business-related travel must not smoke or vape whilst doing so, to ensure safety whilst driving and to protect any passengers from the by-products of smoking or vaping.

Joe Creswick is responsible for ensuring that Ivel Valley School buildings clearly display appropriate smoke free signage at entrance points, and that Ivel Valley School vehicles clearly display signage which is visible from all seats.

Supervision

Pupil supervision ratios are determined by the Education, Health and Care Plans of the pupils.

All staff have a designated line manager or supervisor, who is responsible for supervising staff activities and performance along with learning and development (see also the '[Health and safety information and training](#)' section of this policy).

Swimming

Swimming activities carried out in facilities managed and maintained by other operators are managed as Educational Visits and Journeys (see the '[Educational Visits and Journeys \(EVJs\)](#)' section of this policy). As part of this, **Audrey Webb** and **Roger Williams**, as Educational Visits Co-ordinators (EVC), are responsible for ensuring that external providers' Normal Operating Procedures (NOPs) and Emergency

Action Plans (EAPs) are obtained, verified as suitable and sufficient, and that activities are conducted in line with providers' instructions on supervision and safety.

Vehicles

Related documents:

- *Use of School Vehicles Policy*

Ivel Valley School staff may be required conduct driving activities for work purposes. This will typically be in the form of:

- driving school owned / managed minibuses; and
- driving their own, personally owned vehicles, to conduct journeys in relation to the business of Ivel Valley School.

Work-related driving can be defined as *"any work-related journey other than the normal commute to / from your normal place of work, regardless of vehicle type or ownership, payment terms and time at which the journey takes place"*.

As such, work-related driving in as defined by this policy includes all journeys:

- made using school owned / managed minibuses; and
- made for work purposes using personally-owned / leased vehicles (except for the employee's commute between home and their *normal* school work location).

When carrying out work-related driving, the vehicle becomes the workplace. As such Ivel Valley School has a duty to ensure that employees and others are protected from harm which may arise from the condition of their workplace or the activities that they carry out.

All staff, before driving any vehicle for work purposes, must first evidence:

- their competency to drive school or personally owned vehicles (through their driver's licence);
- the roadworthiness of their own vehicle(s) used for work-related journeys; and
- their business level insurance cover for their personally owned vehicles(s) used for work-related journeys.

Joe Creswick is responsible for ensuring that only authorised staff drive vehicles for work-related journeys.

Nicola Hudson is responsible for checking that:

- members of staff have the appropriate full (not provisional) driving licence (including a licence which includes category D1 where the member of staff is to drive minibuses) and insurance required for work-related driving; and
- privately-owned / leased vehicles used for work-related driving:
 - have a current MOT certificate in place;
 - have paid any Vehicle Excise Duty ('road tax') required; and

- are not subject to any outstanding safety recalls which may immediately affect roadworthiness of the vehicle.

Wendy Presland is responsible for:

- Maintaining records of driver training
- Arranging refresher courses prior to qualification expiry dates

All staff are responsible for providing the relevant information and documents to enable checks to be made. Between programmed checks, staff are also required to immediately declare:

- any driving licence changes (e.g. penalty points, restrictions placed upon them by DVLA); and / or
- any changes to the vehicles they drive on work-related journeys (e.g. newly acquired or disposed vehicles, unresolved MOT failures or advisories, unresolved safety recalls, untaxed vehicles, removal of business class motor insurance cover); and

All staff are also required to ensure that they consider their fitness to drive (or cycle) and that they conduct pre-use checks and on the vehicles they drive, in line with the requirements of the Highway Code.

Minibuses

Ivel Valley School operates 4 minibuses, all of which are owned.

Dave Green is responsible for ensuring that minibuses:

- are subject to annual service and MOT, with passenger tail lifts inspected 6-monthly;
- are subject to pre-use checks for roadworthiness;

Minibuses are only driven by those who possess a valid training certificate relating to the operation of minibuses.

Volunteering

Persons volunteering in support of Ivel Valley School activities are subject to safer recruitment processes in line with the Ivel Valley School Safeguarding Children Policy.

Volunteers are managed in line with school policies and procedures for paid staff.

Waste management

Appropriate provision is made for the disposal of waste types generated by Ivel Valley School activities and all staff are required to ensure that waste is disposed of in the appropriate way. In particular, containers of hazardous substances must be disposed of in line with hazardous substance assessments and / or applicable safety data sheets.

Items awaiting disposal must at all times be stored appropriately and never in a way which may restrict or obstruct free movement, access, egress or cause a fire hazard.

Dave Green is responsible for the management of waste contracts and ensuring that:

- general waste and recycling is collected on a weekly basis;
- clinical waste is collected on a weekly basis by Bedfordshire Borough Council; and
- appropriate Duty of Care Waste Transfer Notes are completed and kept on file for a minimum of two years.

Working at height

Related documents:

- *Working at Height Guidance (CBC)*

Falls from height are a common cause of injuries at work, often where the work at height is of short duration and from 'low' heights of less than 2 meters. Common causes of accidents when working at height include:

- overreaching or over balancing;
- climbing with loads;
- using inappropriate equipment to access areas / carry out work at height (e.g. desks, chairs, etc.);
- not ensuring that work at height access equipment is securely fixed in place;
- placing access equipment on unsuitable surfaces;
- falls from roofs with unprotected edges; and
- falls through fragile materials (e.g. skylights).

Ivel Valley School is committed to carrying out its duties under the Work at Height Regulations in order to ensure, so far as is reasonably practicable, the safety of staff, pupils and visitors carrying out or (being in the vicinity of those carrying out) work at height activities.

The principle applied by Ivel Valley School is that work at height must always be avoided unless it is not reasonably practicable to do otherwise; if work from height cannot be avoided, the risks associated with it must be assessed before proceeding.

School roofs, even if able to support human weight, are classed as fragile if unguarded skylights are present.

The risks from unauthorised access to places of height have been assessed and reasonably practicable measures taken to mitigate those risks. Logical access points are signed accordingly.

Risks from contractor work at height activities are assessed and managed in line with the '*Contractors*' section of this policy.

Joe Creswick or **Hannah Doran** is responsible for:

- ensuring that appropriate systems are in place to safeguard all those who might be harmed by work at height;

- ensuring that managers and staff are made aware of the arrangements and requirements for working at height;
- ensuring that all those members of staff involved in undertaking higher risk work at height **and / or** planning, organising or supervising work at height **and / or** inspecting work at height access equipment have received appropriate formal training; and
- authorising higher risk work at height activities before they may proceed.

Ian Hall, Dave Green and Kevin Greenwell, as the school's lead competent people trained in ladder use / inspection and working from height, are responsible for ensuring that:

- all work at height is properly planned, organised and supervised;
- the use of access equipment is controlled by the school's competent persons for working at height;
- all those involved in work at height are competent to do so;
- the risks from working at height are assessed and appropriate equipment is selected and purchased (this includes access equipment, equipment safety devices and personal protective equipment);
- a register of access equipment is maintained;
- all access equipment is formally visually inspected on a quarterly basis;
- all access equipment is, as required, repaired and subject to periodic maintenance and inspection in line with the manufacturer's guidance; and
- the risks from fragile surfaces or unauthorised access to places at height is properly controlled.
- assisting in the review, creation and implementation of task-specific method statements for all higher risk work at height they may carry out;
- assisting with the quarterly access equipment inspection process;
- carrying out higher risk activities at height, in line with training received and associated task-specific risk assessment(s) and method statement(s);
- assessing whether low level, low risk and short duration work at height tasks, which require the use of a low-level stepladder or short leaning ladder, may proceed under the school's general low risk work at height risk assessment and providing access to suitable equipment and support if so;
- supervising work at height activities being carried out by school staff or contractors; and
- ensuring the appropriate storage of access equipment.

All staff are responsible for:

- undertaking work at height only where they are competent to complete the planned task **and** have received the appropriate level of information, instruction and training to do so;
- planning and carrying out any work at height in line with the requirements of this policy and associated risk assessment(s) and method statement(s);
- ensuring that they carry out pre-use visual safety checks on equipment to be used and take out of use any equipment found to be defective, reporting it to a **Site Agent** and
- ensuring that kick-stools, where stored in their classroom or area (or otherwise under their control), are appropriately stored so that they cannot be accessed by pupils and unauthorised persons.

Work equipment

Hannah Doran, with the **Site Agents**, are responsible for statutory testing and planned, preventative maintenance requirements for plant and equipment.

Plant and equipment in scope for planned, preventative maintenance includes:

- gas systems (such as boilers, cookers and gas distribution pipework);
- electrical systems (including fixed wiring and portable appliances);
- water hygiene (Legionella);
- fire preventative and protective systems;
- lifting equipment (including passenger lifts and hoists);
- extraction systems;
- security systems; and
- general site plant and equipment including play equipment.

The CBC Assets Team monitors compliance for plant and equipment associated with property health and safety and requires all Community and Voluntary Controlled schools not using the Property Buy Back Scheme to submit confirmation of compliance on at least an annual basis.

All staff must ensure that they visually check work equipment for defects before use and that they only use work equipment that they are authorised and competent to use, in line with risk assessments and agreed procedures.

Work experience

Ivel Valley School has a Service Level Agreement with Develop, a not-for-profit organisation that supports the school in providing work experience for pupils. They are responsible for completing the relevant risk assessments, safety checks and providing advice and guidance to the Transitions team.

The Senior Leadership team is responsible for considering requests from anyone who wants to gain work experience by having a placement at Ivel Valley School. If agreed, a member of the Senior Leadership Team will be responsible for:

- Undertaking necessary risk assessments
- Agreeing what activities they can be involved in
- Organising appropriate supervision (they should not be left in sole responsibility for a pupil)
- Completing appropriate induction

Ivel Valley School

Policy approval and review

This general health and safety policy was reviewed on **3rd February 2020** and comes into operation from this date, replacing all previous versions.
