

   are  Closed

Some of  my  favourite  places are  closed - the  park, the

 swimming pool and  soft play. The  government make the rules

and the  government have  said that  my  favourite  places

 must  stay closed to keep us  safe from  coronavirus.

This is  ok. I  will  wait until the  government  says it

is  safe for  my  favourite  places to  open. I  will

 play at  home instead.
