

TRAVELLING TO IVEL VALLEY SCHOOL

SUSTAINABLE TRAVEL OPTIONS

Ivel Valley School is keen to promote sustainable methods of travel and we want to encourage everyone to think about whether they need to use their car or whether they could use a method of travel that is better for the environment, better for their health and could save them money.

Central Bedfordshire Council has an excellent website called [CB Travel Choices](#) that has useful information about all travel options around Biggleswade and the surrounding area.

TRAVELLING BY BUS AND TRAIN

Both the College and School sites are very near bus stops with buses that go to and from the town centre (bus routes 85, 85A, 190, 11B for the school site). For all the local bus routes around Biggleswade please [click here](#)

The College site is very close to Biggleswade Rail Station with trains to and from towns and villages like Stevenage, Hitchin, Sandy and Arlesey.

CYCLING

Please [click here](#) for lots of information about cycling in Central Bedfordshire.

[Click here](#) for a useful map of cycle routes that go right past both the College and School sites. We have a bike shelter to store bikes and scooters.

TRAVELLING TO IVEL VALLEY SCHOOL

DRIVING

Have you thought about a car share scheme? [Central Beds](#) and [Luton Liftshare](#) provides a matching service for all those who live, work or travel in and around Bedfordshire. This site matches you up with potential partners as a driver or passenger and once matched, you can choose to car share as little or often as you like, with whomever you like!

If you have to drive to the school please be very careful when on the school site:

- Do not exceed 10mph
- Turn off your engine when stopped
- If you are blocking another vehicle you must report to the office

COUNCIL TRANSPORT

Most pupils travel to school on transport provided by their local authority. If you have any queries or complaints about this service please contact the relevant transport team.

**PLEASE
DRIVE SLOWLY
AT ALL TIMES**
