March 2022	September 2022	Roger Williams, Assistant Principal, College	Full Governing Body

1. Introduction

The 16 to 19 Bursary Fund provides financial support to help students overcome the specific financial barriers they face to participation so they can remain in education.

This policy sets out how the scheme we will administered at Ivel Valley.

2. Aims

Our school aims to:

- Have clear and transparent processes for the use and allocation of the 16 to 19 Bursary Fund
- Make clear to parents and students the type of support which is available and the means of applying for it
- Make clear to parents and students the attendance and behaviour conditions for receiving the funds.

3. Legislation and Guidance

This policy is based on advice from the Education and Skills Funding Agency (ESFA) on the 16 to 19 Bursary Fund for the 2021 to 2022 academic year.

4. Definitions

- 'In care' is defined as: children looked after by a local authority on a voluntary basis (section 20 of the Children Act 1989) or under a care order (section 31 of the Children Act 1989). Those who are privately fostered are not classed as looked after;
- 'Looked after child' is defined as: a child in the care of a local authority or who is provided with accommodation by the authority in the exercise of any functions for more than 24 hours (section 22 of the Children Act 1989)
- 'Care leaver' is defined as:
 - A young person aged 16 and 17 who was previously looked after for a period of 13 weeks consecutively (or periods amounting to 13 weeks), which began after the age of 14 and ended after the age of 16, or

- A young person aged 18 or above who was looked after prior to becoming 18 for a period of 13 weeks consecutively (or periods amounting to 13 weeks), which began after the age of 14 and ended after the age of 16

6. How the Bursary Fund is Used

Financial support is available to eligible students from the 16 to 19 Bursary Fund. See eligibility criteria section below for details of the eligibility criteria.

The fund is intended to support students aged 16 to 19 in overcoming specific financial barriers to participation so they can remain in education.

There are two types of 16 to 19 bursary:

- *Bursaries for defined vulnerable groups; and*
- *Discretionary bursaries*

We use the fund to provide students with support for:

- Transport costs for journeys not covered by school transport or a Disabled Person's Bus Pass
- Essential books
- Essential equipment
- Other essential course related costs

7. Eligibility Criteria for the 16 to 19 Bursary Fund

7.1 Age

To be eligible for either bursary in the 2021 to 2022 academic year, students must be at least 16 years old but under 19 years old on 31 August 2021.

Students aged 19 or over are not eligible for bursaries for defined vulnerable groups, they are only eligible for a discretionary bursary if they:

- Are continuing on a study programme or course which they began when they were aged 16 to 18 years old, or
- Have an education, health and care (EHC) plan.

In exceptional circumstances, where students under 16 years old are on a funded 16 to 19 study programme at our school, we may use our discretion to pay bursaries to these younger students. However, if these students are enrolled at another institution that receives public funding for them, they will not be eligible for bursary funding.

7.2 Eligible education provision

Students must be participating in provision that is subject to inspection by a public body that assures quality (e.g. Ofsted). The provision must also fall into one of these groups:

- Be funded directly by ESFA or by ESFA via a local authority;
- Be funded or co-financed by the European Social Fund;
- Be otherwise publicly funded and lead to a qualification (up to and including level 3) that is accredited by Ofqual or is on the ESFA's list of qualifications approved for funding 14 to 19; or
- Be a 16 to 19 traineeship programme.

Non-employed students aged 16 to 19 who are participating in a Prince's Trust Team Programme are also eligible to receive a bursary in the same way as any other student participating in an eligible, publicly funded course.

Students are not eligible if:

- They are on an apprenticeship programme; or
- Are on any waged training

Students who are studying via distance learning are eligible for either 16 to 19 Bursary Fund but are likely to require financial help on a more infrequent basis (e.g. travel to exams). If this is the case, we will provide support in-kind, such as a travel pass, details of which will be decided on a case-by-case basis.

7.3 Residency

Students must meet the residency criteria in the [ESFA funding regulations for post-16 provision](#)

7.4 Asylum seekers

Accompanied asylum seekers under 18 with an adult relative or partner and asylum seekers aged 18 and above are entitled to education but are not entitled to public funds. If necessary, they can apply to the Home Office for suitable housing and cash for essentials.

We will provide in-kind support such as books, equipment and a travel pass to asylum seekers who have not had asylum refused.

Unaccompanied asylum seeking children:

- Are the responsibility of the local authority;
- Are to be treated as 'looked after' children; and
- Are eligible for a bursary for vulnerable groups, where they have a financial need

When these students reach 18 years old, we will consider their immigration status. They will still be eligible for a bursary as a student from a defined vulnerable group if the asylum claim is in their favour and will be treated as a 'care leaver' until they reach the upper age limit.

7.5 Bursaries for young people in defined vulnerable groups

Students with a financial need, who meet one of the following four criteria below, in addition to the criteria outlined in sections 7.1, 7.2 and 7.3 above, can apply for a bursary for vulnerable groups.

The defined vulnerable groups are students who are:

- In care (NB: the 16 to 19 Bursary Fund defines 'in care' as children looked after by a local authority on a voluntary basis (section 20 of the Children Act 1989) or under a care order (section 31 of the Children Act 1989). Those who are privately fostered are not classed as looked after;
- Care leavers;
- Receiving Income Support (IS), or Universal Credit (UC) because they are financially supporting themselves or financially supporting themselves and someone who is dependent on them and living with them such as a child or partner; or
- Receiving Disability Living Allowance (DLA) or Personal Independence Payments (PIPs) in their own right as well as Employment and Support Allowance (ESA) or UC in their own right

Students who meet the criteria for a bursary for vulnerable groups are not automatically entitled to one. Students will not receive the bursary if they do not have any actual financial need (for example, because their financial needs are met from other sources and/or because they have no relevant costs).

Where a bursary is provided, the funds will generally be up to £1,200 per year for study programmes lasting 30 weeks or more. When calculating the amount, we will look at cases individually and base the outcome on a student's particular needs. Students will only receive the amount they actually need to participate and will not automatically receive £1,200 if they do not need the full amount.

We can use our discretion, on a case-by-case basis, and provide more than £1,200 per year if such would be necessary in all the circumstances for the student to remain in education. Any such additional payment will be paid either from our discretionary bursary allocation or from our own funds.

If a student's study programme lasts for less than 30 weeks, they will be paid a pro-rata amount. We will also consider the number of hours involved in a student's study programme when deciding whether a pro-rata payment is more appropriate.

We will review the student's eligibility position each academic year. Students will only continue to receive a bursary for vulnerable groups if they continue to satisfy the criteria.

7.6 Discretionary bursaries

In addition to the criteria outlined in sections 7.1, 7.2 and 7.3 above, students can apply for a discretionary bursary if they satisfy one or more of the following criteria:

Are a student whose parents or carers are in receipt of one of the following:

- Income support*
- Income based Jobseeker's Allowance
- Support from the National Asylum Support Service
- Tax Credits (Working Tax Credit/Child Tax Credit)
- Guarantee element of State Pension Credit
- Income related Employment and Support Allowance*
- In receipt of Universal Credit

AND expect to have a household Inland Revenue assessed annual income of less than £16,190 for the current tax year (2021/22) and confirmed annual income of less than £16,190 previous tax year (2020/21)

Or be a student who

- Is in receipt of Free School Meals or
- Is providing care to a sick or disabled relative or
- Has a long-term medical condition that can affect their studies.

*From 2013 the phased introduction of the Universal Credit to replace Income Support and Employment and Support Allowance and Personal Independence Payments to replace the Disability Living Allowance commenced. Where applicable, these benefits will be taken into consideration.

We will base all decisions around which students receive a discretionary bursary and how much bursary they receive based on each student's individual circumstances **and** their actual financial need.

Students must apply for a discretionary bursary each academic year to enable us to review the student's eligibility position. Students will only continue to receive a discretionary bursary if they continue to satisfy the criteria.

7.7 Evidence

All bursary applications must be supported by appropriate evidence. Examples of acceptable evidence we may request are:

- Written confirmation of a student's current or previous looked-after status from the relevant local authority; and/or
- Written confirmation of a benefit award or tax credit notice, in the name of the student (for either bursary) or the parent (for the discretionary bursary)
- P60
- Previous 3 to 6 months' worth of payslips

The requirements are detailed in the application form.

8 Application and Payment Process

8.1 Applications

Applications should ideally be submitted by the end of September 2021 but no later than 6th October 2021 to allow enough time for our school to assess the overall level of demand and make discretionary awards on a fair basis. This date will be clearly stated on the application form.

However, we acknowledge that students' circumstances may change and therefore the application process will remain open for the whole school year.

Applicants will be notified in writing (either via email or via letter) whether their application has been successful, together with the amount of funding awarded and the terms and conditions that apply.

If a student or their parents/ carers wish to appeal the outcome of their application for a bursary, they must follow the school's normal complaints procedure. The final decision will be made by a nominated person outside of the bursary decision making process.

Each application will be subject to the following:

- A full assessment of the financial position of the student and their household using the evidence submitted
- A full assessment of the student's ability to stay in full-time education based on their financial needs associated with their programme of study at Ivel Valley College
- An assessment to establish that the bursary will support students to make at least expected levels of progress

8.2 Payment Process

Payments in kind will be made wherever possible, such as travel passes, books, equipment or provision of school dinners.

Monetary payments by BACS transfer to the student's bank account will be made in exceptional circumstances and made weekly or monthly for qualifying students.

8.3 Conditions for the receipt of bursary payments

Payments of the bursary are conditional on students meeting the following conditions in relation to their standards of attendance and behaviour:

- Attendance of 90% or higher
- Following the Ivel Valley College code of conduct

Students who fail to meet these conditions may have their payment withheld, but we will always consider students' individual circumstances. This includes considering the impact on attendance that might be caused by illness, caring responsibilities or other exceptional circumstances.

We will stop payments where students have been absent for a period of four continuous weeks or more (excluding holidays) and where students have decided to withdraw from a study programme.

We reserve the right to take back money from students where it is not spent for the reasons it was awarded.

We will consider the impact of such an action on the individual student before taking a final decision to do so, and any decision will be confirmed to the student in writing.

All students and parents / carers are required to sign a declaration in the application form relating to the application being made.

9 Change In Circumstances

If there are changes to circumstances, which may affect eligibility for a bursary, applicants and/or parents/carers must notify the school immediately.

10 Record Keeping and Data Protection Act 2018

The information given on the bursary application form, together with any supporting documentation will be used by the school for the purposes of processing an application. Information will be kept secure and only shared with staff or organisations for the purposes of assessing, administering and reporting on the bursary scheme.

Any paperwork and documents retained for audit purposes (for example, copies of application forms, household income evidence and any agreements signed by students) will be kept in line with our data protection policy, privacy notices and record retention schedule. Full details are available on our Ivel Valley website by searching GDPR.

10 Monitoring Arrangements

This policy will be reviewed by the Assistant Principal Ivel Valley College every 6 months until September 2023 then it will revert to annual review. At each review the policy will be approved by the Head Teacher.

11 Equalities

Ivel Valley will apply this policy fairly and without prejudice. The school recognises and will abide by its duties to ensure that pupils and staff are protected from discrimination in relation to their protected characteristics as defined by the Equality Act 2010. This policy has been written with due regard to the Equalities Act 2010.
