2023/2024

What is the Bursary Fund?

The 16 to 19 Bursary Fund is a scheme to help young people facing financial hardship to stay in full-time education.

The scheme is made up of two parts:

- Those most in need will be eligible for a bursary of up to £1,200 a year. This includes young people in care, care leavers, young people receiving Income Support or Universal Credit. It also includes young people receiving either Disability Living Allowance or Personal Independence Payments in their own right as well as Employment and Support Allowance or UC in their own right. This bursary is referred to as the “*bursary for students in vulnerable groups*”.
- Other students who need financial support to help them with essential costs to stay in education or training may also be able to claim a bursary to help with costs for essential books or equipment, travel costs for journeys during College time not covered by school transport or a Disabled Person’s Bus Pass or other essential course-related costs. This bursary is referred to as the “*discretionary bursary*”.

Applying

The 16 to 19 Bursary Fund provides financial support to help students overcome specific financial barriers to participation so they can remain in education. Students will only be awarded the amount of actual support they need to enable them to continue their studies at Ivel Valley College.

If you believe you are eligible for a bursary please complete Section A (if you wish to apply for the bursary for vulnerable groups) or Section B (if you wish to apply for the discretionary bursary). You can only apply for one bursary, not both. You will need to apply for a bursary each year even if your circumstances do not change.

Equally, if your circumstances change during the year, which may affect your ability to stay in education and you believe you would benefit from a bursary please speak to the Assistant Principal, Roger Williams about making an application.

Please complete the application in full and enclose supporting evidence as required. We will write to you to confirm if your application has been successful. If agreed we will inform you of how the bursary will be paid and the terms on which it is available. The amount paid to each pupil may also depend on the number of successful applications received.

Conditions and Payment

For either bursary, money will only be paid to help students with the essential costs of participating in a programme of study at Ivel Valley College where financial barriers to participation need to be overcome. Receipt of either bursary is conditional on students meeting agreed standards set by the college and an assessment that the bursary will support students to make at least expected levels of progress. In addition attendance must be 90% or higher and students must abide by the Ivel Valley College Code of Conduct. Payments may be delayed or withheld if you fail to meet the agreed standards. The terms and conditions on which the payments are made will be set out in the confirmation letter.

For the bursary fund for vulnerable groups successful applicants will be advised when their payments for the academic year 2023/24 will be paid. Payments will normally commence just before the October half term break and will be paid on a monthly basis thereafter.

For the discretionary bursary support will be given towards items which are deemed to be essential. The amount of funding for the bursary scheme is limited and the amount paid out will be dependent on the number of successful applications received. Payments will usually be made in kind i.e. items purchased by Ivel Valley College and made available to the student on terms set out in the confirmation letter.
